Pricing, specifications, availability and terms of offers may change without notice. Prices on this page are in U.S. dollars and exclude taxes and duties. Freight will be included in final price. Dell will not be responsible for any additional charge from your credit card. Promotions can only be combined according to specific rules on each page. Promotions from different sources, such as, printed materials, newspaper, radio, TV or special programs, cannot be combined. Limit of 5 systems per customer. No entitlement for distributors/resellers. Due to security reasons for you and Dell, it is necessary at delivery to show official ID of the credit card holder used in the purchase.

Dell Systems with 4GB of memory may show less memory in Microsoft Windows. Windows Vista® automatically allocates a certain amount of memory for system use. The amount varies depending on the devices that are installed on the computer but is at least 1 MB and can be as much as 1 GB. Only the unallocated memory is reported by Vista.
